Yellow River (Tony Christie)

Capo 4

C                              Em                   Am                        Em
So long boy, you can take my place, got my papers, I've got my pay,
Am                            Dm                       G
so pack my bags and I'll be on my way to Yellow River.

C                              Em                            Am                          Em
Put my gun down, the war is won. Fill my glass now, the time has come.
Am                            Dm                       G
I'm going back to the place that I love, Yellow River.

C                              Em                   Am                              Em
Yellow River, Yellow River is in my mind and in my eyes.
C                              Em                            G
Yellow River, Yellow River is in my blood, it's the place I love.
Am                              G
Got no time for explanations, got no time to lose,
Dm                             G                                Am                   F    G
tomorrow night you'll find me sleeping underneath the moon at Yellow River.

C                              Em                   Am                        Em
Cannon fire lingers in my mind, I'm so glad that I'm still alive,
Am                            Dm                       G
and I've been gone for such a long time from Yellow River.

C                              Em                   Am                        Em
I remember, the nights were cool, I can still see the water pool,
Am                            Dm                       G
and I remember the girl that I knew, from Yellow River.

C                              C                    Em                             G
Yellow River, Yellow River is in my mind and in my eyes.
C                              C                    Em                             G
Yellow River, Yellow River is in my blood, it's the place I love.
Am                              G
Got no time for explanations, got no time to lose,
Dm                             G                                Am                   F    G
tomorrow night you'll find me sleeping underneath the moon at Yellow River.

C                              C                    Em                             G
Yellow River, Yellow River is in my mind and in my eyes.
C                              C                    Em                             G
Yellow River, Yellow River is in my blood, it's the place I love.
