

## Honey (Bobby Goldsboro)

**C** See the tree how big it's grown, but friend it hasn't been too long, it wasn't big. **G7**  
**G7** I laughed at her and she got mad the first day that she planted it was just a twig. **C**  
**C** Then the first snow came, and she ran out to brush the snow away, so it wouldn't die, **G7**  
**G7** Came running in all excited, slipped and almost hurt herself, and I laughed till I cried. **C**  
**C** She was always young at heart, kinda dumb and kinda smart and I loved her so. **G7**  
**G7** And I surprised her with a puppy, kept me up all Christmas Eve two years ago. **C**  
**C** And it would sure embarrass her when I came in from working late 'cause I would know **G7**  
**G7** That she'd been sitting there and crying over some sad and silly late late show. **C**

**G7**  
And honey I miss you **C**  
And I'm being good. **G7**  
And I'd love to be with you **C**  
If only I could.

**C** She wrecked the car and she was sad and so afraid that I'd be mad but what the heck. **G7**  
**G7** Though I pretended hard to be, guess you could say she saw through me and hugged my neck. **C**  
**C** I came home unexpectedly and caught her crying needlessly in the middle of the day. **G7**  
**G7** And it was in the early Spring when flowers bloom and robins sing she went away. **C**

**G7**  
And honey I miss you **C**  
And I'm being good. **G7**  
And I'd love to be with you **C**  
If only I could.

**D** One day while I was not at home while she was there and all alone the angels came. **A7**  
**A7** Now all I have is memories of Honey and I wake up nights and call her name. **D**  
**D** Now my life's an empty stage where Honey lived and Honey played and love grew up. **A7**  
**A7** And a small cloud passes overhead and cries down on the flower bed that Honey loved. **D**  
**D** And see the tree how big its grown but friend it hasn't been to long, it wasn't big. **A7**  
**A7** I laughed at her and she got mad the first day that she planted it was just a twig. **D**
