

Not as we (Alanis Morissette)

Bm A G A

Bm A G A Bm A G A
Reborn and shivering, spat out on new terrain
Bm A G A Bm A G A
Unsure, unconvincing, this faint and shaky hour

D A G A
Day one, day one, start over again
D A G A
Step one, step one, I'm barely making sense
D A G A
For now I'm faking it 'til I'm pseudo-making it
Bm A G A
From scratch, begin again but this time I as "I"
Bm A G A Bm A G A
And not as "we"

Bm A G A Bm A G A
Gun-shy and quivering, timid without a hand
Bm A G A Bm A G A
Feign brave with steel intent, little and hardly here

D A G A
Day one, day one, start over again
D A G A
Step one, step one, with not much making sense
D A G A
Just yet I'm faking it 'til I'm pseudo-making it
Bm A G A
From scratch, begin again but this time I as "I"
Bm A G A Bm A G A
And not as "we"

G A Bm G A Bm
Eyes wet toward, wide open frayed,
G A G G A Bm
If God is taking bets, I pray He wants to lose,

D A G A
Day one, day one, start over again
D A G A
Step one, step one, I'm barely making sense
D A G A
Just yet I'm faking it 'til I'm pseudo-making it
Bm A G A
From scratch, begin again but this time I as "I"
D A G A D A G A D
And not as "we"
