

## A picture of our torn up praise (Phosphorescent)

**E**  
I don't want to take, and baby I don't want to break,  
**Bm**  
and baby I don't want to try and make you anyway.

**D**  
I just want to lie down, tell my crazy brains to lie down  
**A**  
and then fall away.

**E**  
I won't be alone, I won't be waiting by the phone,  
**Bm**  
I won't be dreaming of you dreaming of me anyway.

**D**  
Tell me where you've been and I will tell you where I've been.  
**A**  
It will be all okay.

**E Bm D A**  
Wooo...

**E**  
I don't have a home, it's not a chain, it's not a throne,  
**Bm**  
it's just a picture of a picture tossed and torn away.

**D**  
Of anger on your face still not as strange and not as brave  
**A**  
as when you turned away.

**E**  
I won't be the one when all is said and all is done.  
**Bm**

I won't be breathing like you breathe into the light of day.

**D**  
I'll be in the yard still taking pictures in the dark  
**A**  
of all our torn up praise.

**E Bm D A**  
Heee...

**E**  
Leave me all alone, I won't be chased, I won't be thrown,  
**Bm**  
I won't be bleeding for you bleeding for me everyday.

**D**  
Tell me where you've been and I will tell you where I've been.  
**A**  
It will be all okay.
