

Where the streets have no name (U2)

D G Bm A
D G Bm A Csus9 D

^D I wanna run, I want to hide, I wanna tear down the walls that hold me inside. ^G

^{Bm} I wanna reach out and touch the flame, ^A
^{Csus9}
Where the streets have no name. Ha, ha, ha.

^D I wanna feel sunlight on my face. I see the dust cloud disappear without a trace. ^G

^{Bm} I wanna take shelter from the poison rain, ^A
^{Csus9}
Where the streets have no name, ho hoo.

^D Where the streets have no name, where the streets have no name, ^D
^G

We're still building then burning down love, burning down love.

^{Bm} And when I go there, I go there with you. It's all I can do. ^A ^D

^D The city's a flood, and our love turns to rust. We're beaten and blown by the wind, trampled in dust. ^G

^{Bm} I'll show you a place high on a desert plain, yeah, ^A

^{Csus9}
Where the streets have no name, ha hi.

^D Where the streets have no name, where the streets have no name, ^D
^G

We're still building then burning down love, burning down love.

^{Bm} And when I go there, I go there with you. It's all I can do. ^A ^D

^D
Our love turns to rust.

^G
We're beaten and blown by the wind, blown by the wind.

^D
Oh and I see love, see our love turn to rust.

^G
And we're beaten and blown by the wind, blown by the wind

^{Bm} Oh when I go there, I go there with you, it's all I can do. ^A ^D
