

Jesse (Joan Baez)

C C9M Bb A7 Dm G7 C9

C **C9M** **Bb** **A7** **Dm** **G7** **C9**
Jesse come home, there's a hole in the bed where we slept; now it's growing cold.
Dm
Jesse your face, in the place where we lay
G7 **C** **E**
by the hearth, all apart, it hangs on my heart.

A **Dm**
And I'm leaving the light on the stairs.
G7 **C** **A7**
No I'm not scared; I wait for you.
C
Hey Jesse, it's lonely, come home.

C **C9M** **Bb** **A7**
Jesse the stairs in the halls, recalling your step; and I remember too.
Dm
All the pictures are shaded and fading in grey
G7 **C** **E**
and I still set a place on the table at noon.

A **Dm**
And I'm leaving the light on the stairs.
G7 **C** **A7**
No I'm not scared; I wait for you.
C
Hey Jesse, it's lonely, come home.

BRIDGE

C C9M Bb A7 Dm G7 C9

C **C9M** **Bb** **A7**
Jesse the spread on the bed, it's like when you left, I kept it for you.
Dm
All the blues and the greens have been recently cleaned
G7 **C** **E**
and are seemingly new; hey Jess, me and you.

A **Dm**
We'll swallow the light on the stairs.
G7 **C** **A7**
I'll fix up my hair, we'll sleep unaware.
C
Hey Jesse, it's lonely, come home.
