

## Lady d'Arbanville (Cat Stevens)

**Em** **D**  
My Lady d'Arbanville, why do you sleep so still?  
**Em** **D** **Bm** **Em**  
I'll wake you tomorrow and you will be my fill, yes, you will be my fill.

**Em** **D**  
My Lady d'Arbanville why does it grieve me so?  
**Em** **D** **Bm** **Em**  
But your heart seems so silent, why do you breathe so low, why do you breathe so low.

**Em** **D**  
My Lady d'Arbanville, why do you sleep so still?  
**Em** **G D** **Bm** **Em**  
I'll wake you tomorrow and you will be my fill, yes, you will be my fill.

### Bridge

**Em** **D**  
My Lady d'Arbanville, you look so cold tonight.  
**Em** **D** **Bm** **Em**  
Your lips feel like winter, your skin has turned to white, your skin has turned to white.

**Em** **D**  
My Lady d'Arbanville, why do you sleep so still?  
**Em** **D** **Bm** **Em**  
I'll wake you tomorrow and you will be my fill, yes, you will be my fill.

**Em** **D**  
La la la la la la... la la la la la la  
**Em** **G D** **Bm** **Em**  
La la la la la la... la la la la la la... la la la la la la

**Em** **D**  
My Lady d'Arbanville why do you grieve me so?  
**Em** **D** **Bm** **Em**  
But your heart seems so silent, why do you breathe so low, why do you breathe so low.

**Em** **D**  
I loved you my lady, though in your grave you lie,  
**Em** **G D** **Bm** **Em**  
I'll always be with you, this rose will never die, this rose will never die.

**Em** **D**  
I loved you my lady, though in your grave you lie,  
**Em** **G D** **Bm** **Em**  
I'll always be with you, this rose will never die, this rose will never die.
