Gypsy wind is blowin' warm tonight. The sky is starlit and the time is right.

And still you're tellin' me you have to go. Before you leave there's something you should know.... Yeah....
A E A E
Something you should know babe.

I've seen you smilin' in the summer sun, I've seen your long hair flyin' when you run.
A E A E A E A E A E
I've made my mind up that it's meant to be. Someday lady you'll accomp'ny me.

A D A A E
Someday lady you'll accomp'ny me out where the rivers meet the sounding sea.

You're high above me now, you're wild and free, ah but

Someday lady you'll accomp'ny me, someday lady you'll accomp'ny me.

Some people say that love's a losin' game. You start with the fire but you lose the flame.

The ashes smolder but the warmth's soon gone. You end up cold and lonely on your own.

I'll take my chances, babe, I'll risk it all. I'll win your love or I'll take the fall.
A E A E A E A E A E
I've made my mind up girl, it's meant to be. Someday lady you'll accomp'ny me.

A D A A E
Someday lady you'll accomp'ny me. It's written down somewhere, it's got to be.

You're high above me now, you're wild and free, oh but

Someday lady you'll accomp'ny me, someday lady you'll accomp'ny me.

Someday lady you'll accomp'ny me out where the rivers meet the sounding sea.

Someday lady you'll accomp'ny me, someday lady you'll accomp'ny me.

You will accomp'ny me.

Someday lady, someday lady you'll accomp'ny me.
You're gonna accomp'ny me now
You're gonna walk with me and talk with me, yeah.
You'll accomp'ny me. (*back up singers*)
Yeah, you'll accomp'ny me.
You'll accomp'ny me. (*back up singers*)
