

Just like heaven (The Cure)

Capo on 2nd fret

G D Am C
G D Am C

G D Am C
« Show me how you do that trick, the one that makes me scream » she said,
G D Am C
« The one that makes me laugh » she said, and threw her arms around my neck.
G D Am C
« Show me how you do it, and I promise you, I promise that
G D Am C
I'll run away with you, I'll run away with you ».

G D Am C
G D Am C

G D Am C
Spinning on that dizzy edge, I kissed her face and kissed her head
G D Am C
And dreamed of all the different ways I had to make her glow
G D Am C
« Why are you so far away? » she said, « Why won't you ever know
G D Am C
that I'm in love with you, that I'm in love with you ».

Em F
You, soft and only,
Em F
You, lost and lonely,
Em F
You, strange as angels,
C D
Dancing in the deepest oceans, twisting in the water, you're just like a dream.

G D Am C
G D Am C

G D Am C
Daylight licked me into shape, I must have been asleep for days.
G D Am C
And moving lips to breathe her name, I opened up my eyes.
G D Am C
And found myself alone alone, alone above a raging sea
G D Am C
That stole the only girl I loved and drowned her deep inside of me.

Em F
You, soft and only,
Em F
You, lost and lonely,
Em F C
You, just like heaven
