

Sad Lisa (Cat Stevens)

Em **D C**
She hangs her head and cries in my shirt,
D Em D G
She must be hurt very badly,
D Em A
Tell me what's making you sadly.
Em A D C
Open your door, don't hide in the dark,
D Em D G
You're lost in the dark, you can trust me,
D Em A
'Cause you know that's how it must be,

Em A B Em
Lisa Lisa, sad Lisa Lisa

Em D C
Her eyes like windows, tricklin' rain
D Em D G
Upon her pain getting deeper.
D Em A
Though my love wants to relieve her.
Em A D C
She walks alone from wall to wall.
D Em D G
Lost in a hall, she can't hear me.
D Em A
Though I know she likes to be near me.

Em A B Em
Lisa Lisa, sad Lisa Lisa

INSTRUMENTAL

Em D C
She sits in a corner by the door.
D Em D G
There must be more I can tell her.
D Em A
If she really wants me to help her.
Em A D C
I'll do what I can to show her the way.
D Em D G
And maybe one day I will free her.
D Em A
Though I know no one can see her.

Em A B Em
Lisa Lisa, sad Lisa Lisa
