

Arc of a diver (Steve Winwood)

C Dm C Dm E7

Am Dm Dm7 G7 E7 Am
She bathes me in sweetness, I cannot reveal. For sharing dreams I need my woman.
Am Dm Dm7 G7 E7 Am
This humble expression...meagerly dressed. My eyes so mean it has no meaning.

F C Dm7 Am F
But jealous night and all her secret chords.
C Dm7 C
I must be deaf...on the telephone... I need my love to translate.

Dm7 C Dm7 C
I play the piano, no more running honey. This time to the sky I'll sing if clouds don't hear me.
Dm7 C Dm7 C F
To the sun I'll cry and even if I'm blinded, I'll try moon gazer, because with you I'm stronger...
C Dm7 C Dm7 C Dm7 E7
I'm stronger... I'm stronger.

Am Dm Dm7 G7 E7 Am
Arc of a diver... effortlessly... my mind in sky and when I wake up.
Am Dm Dm7 G7 E7 Am
In daytime or nighttime... I feel you near. Warm water breathing... she helps me hear.

F C Dm7 Am F
But jealous night and all her secret chords.
C Dm7 C
I must be deaf...on the telephone... I need my love to translate.

 Lean streaky music... spawned on the streets... I hear it but with you I have to go.
Am **Dm** **Dm7 G7** **E7** **Am**
 Cause my rock 'n' roll... is putting on weight... and the beat, it goes on.

 Arc of a diver... effortlessly... my mind in sky and when I wake up, woah-oh-oh.

 With you my love we're going to... raid the future.
C **Dm7**
 With you my love we're going to stick up the past.
C **F**
 We'll hold today to ransom... 'til our quartz clock stop...
C **F**
 until yesterday.
C **F**
 Woah, until yesterday.
C **F**
 Until yesterday.
C
 Til our quartz clock stop.
